## Introduction

---

**Purpose of School** The Southwest Christadelphian Bible School provides a week-long oasis where earnest minded people can learn more about the true message of the Bible and God's great plan of salvation. The school is dedicated to the spiritual building up of all our members.

---

**Success of School** The Bible School committees have spent a great deal of time and effort in arranging a week of spiritual and social activities for you. The success of the school depends largely on your participation in the group activities, your adherence to school requirements, and the manner in which you conduct yourself. We have kept the rules to a minimum to permit as much individual freedom as possible, yet adequate enough to ensure an orderly and beneficial school. To some, part of the rules may seem unnecessary; but let us remember that there are others who will be offended if the rules are not observed.

---

**About this Manual** This manual sets forth the mode of operation on the Southwest Christadelphian Bible School. These requirements are for everyone's general welfare so that a week of spiritual fellowship may be enjoyed by all. By conforming to all the requirements in this manual, we will have the pleasure of knowing that each one of us helped to make the school a success and a pleasant stay for everyone.

## Enrollment Basis

### Fellowship

The SWCBS is organized and conducted under the Christadelphian Birmingham Amended Statement of Faith, Central Fellowship. The Memorial Service is held upon the same basis of fellowship; all within Central Fellowship who meet on this basis consistently are welcome to participate. Members of other fellowships are welcome to come to the school but not to partake of the Memorial Service. In case it is necessary to limit the number attending the school, no difference shall be made between fellowships, or interested friends; limiting shall be done purely on a "first come, first served" basis. However, all officiating brethren and sisters shall be members of Christadelphian Central Ecclesias.

### Rules

Attendance at this school implies a willingness to abide by the rules. It is hoped we shall reflect Godly principles of behavior and show forth in our daily lives the effect of instruction in the Word of God.

### Controversial Issues

The Executive Committee requests that controversial issues not be discussed anywhere or at any time during the school. The school is not to be used to advance individual or group thought of any controversial nature.
